### **CIVICA CONTINUES PRINCIPAL PARTNER AGREEMENT WITH LGMA NATIONAL IN 2015**

Civica have announced their continuing sponsorship with LGMA National as official Principal Partner in 2015. This includes being named Principal Partner for the 2015 Management Challenge and 2015 LGMA Congress and Business Expo.

LGMA National CEO Lauren Oakey said Civica's commitment in 2015 would assist the organisation in continuing to provide the sector with quality premier events, products and services.

"Civica is widely acknowledged as one of the sector's leading specialist providers of IT solutions and services and has enjoyed a long history with LGMA for more than 14 years, she said.

Extending support for LGMA National - the peak body for local government professionals - shows that Civica is right behind the sector."

"Civica has enjoyed a rich history within local government and we are proud to continue this tradition by partnering with LGMA," said Tony Tiftis, Civica's General Manager, Sales - Local Government.

"Civica have been a provider of choice in the local government sector for many years, with innovative solutions across a range of IT products and applications" he added.

#### **About Civica**

Civica is a market leader in specialist systems and business process services for local government. Through experienced people who understand service delivery we apply software, cloud-based IT services and outsourcing to help our customers transform the way they work.

Today, more than 300 Councils throughout Australia and New Zealand use Civica's enterprise software applications and services. For information about Civica, visit the website:

### **About the LGMA Congress and Business Expo**

The 2015 LGMA Congress and Business Expo will be held in Darwin from 29 April to 1 May at the Darwin Convention and Exhibition Centre. Held in a different Australian capital city each year, the Congress is a challenging thought leadership forum and a showcase of the sector's best practice. The Business Expo brings together many of the most experienced, specialist local government service providers. Registrations are open now <http://www.lgma.org.au/congress-2015.html>

### **About the LGMA Australasian Management Challenge**

The LGMA Australasian Management Challenge is widely regarded as a sophisticated professional learning experience for current and emerging local government leaders in Australia and New Zealand. This is an exciting and rigorous program for developing leadership skills. To find out more visit the Management Challenge website.
