

CALL FOR EXPRESSIONS OF INTEREST

LG Professionals Australia seeks local partner in Indonesia

January 29, 2018

LG Professionals Australia is seeking a like-minded Indonesian partner organisation with a focus on local governance, or an Indonesian association that supports the work of local government, to implement projects under its International Program from 2018 and onwards.

LG Professionals Australia is an Australia based not-for-profit organisation established in 1936. It enables the local government sector to cohesively engage with the international community to promote international development through local governance. Our approach focuses on working with local institutions and local government professionals in-country, building networks to the local government sector in Australia, and sharing experience and expertise. We have active partnerships with peak bodies of local government around the world including SOLACE (UK), ICMA (USA), SOLGM (NZ) and CAMA (Canada), while our current programs are running in Timor-Leste, Nepal, Cambodia, Myanmar and the Pacific region.

Interested organisations are requested to submit an expression of Interest with a cover letter and an organisational profile to M. Mizanur Rahman, International Programs and Policy Manager, at mizan@lgprofessionalsaustralia.org.au by **20th February, 2018**.
